TO: REGIONAL CENTER EXECUTIVE DIRECTORS

SUBJECT: STATE OF EMERGENCY IN AMADOR, FRESNO, KERN, MARIPOSA,
MERCED, STANISLAUS, TULARE, AND TUOLUMNE COUNTIES

As a result of an atmospheric river event beginning March 21, 2018, Governor Edmund G. Brown Jr., declared a State of Emergency on April 19, 2018, for the eight counties listed above.

The circumstances of the atmospheric river event caused dangerous flash flooding, erosion, and substantial mud and debris flows damaging roads and highways.

The circumstances of the atmospheric river, because of its magnitude, are beyond the control of the services, personnel, equipment, and facilities of any single local government and require the combined forces of a mutual aid region or regions to combat.

Since there is a declared State of Emergency, the Department of Developmental Services (Department) is authorizing, pursuant to Title 17, California Code of Regulations section 54326 (a)(11), regional centers to pay vendors for absences that are the direct result of the atmospheric river in the counties listed above.

The applicable regulation section reads as follows:

[All vendors shall...] Not bill for consumer absences for nonresidential services. The Department shall authorize payment for absences which are the direct result of situations and/or occurrences for which a State of Emergency has been declared by the Governor. If payment for absences due to a State of Emergency is authorized by the Department, the vendor shall bill only for absences in excess of the average number of absences experienced by the vendor during the 12-month period prior to the month in which the disaster occurred.
