

# ELARC Partnership Commitment

With Providers that Deliver Contractual DOR Employment Services

1. Individuals will have [competitive integrated paid employment](#).
2. Service Providers will [incorporate customized employment](#) into their individual supported employment programs (952) utilizing person centered strategies.
3. **Quarterly Reports** on Employment Outcomes to ELARC from Providers collecting at least the following data:
  - 3.1 Identify specific consumers by UCI# for tracking the following in 3.2, 3.3 and 3.4
  - 3.2 Establish a baseline (either have or do not have) for consumers with competitive integrated paid employment.
  - 3.3 Ongoing, list consumers in the past quarter who acquired sub minimum wage up to competitive integrated paid employment.
  - 3.4 State the wage (piece work, production, hourly) for the respective consumers noted in 3.1, 3.2 and 3.3
4. **Collaboration** in DOR application process
  - 4.1 **Appropriately support the consumer** in achieving the desired employment outcome.
  - 4.2 ELARC service coordinators will **attend the initial DOR intake meeting** with the consumer and service provider.
  - 4.3 DOR will **identify the critical milestones (intake/assessment, scheduled meeting, job placement)** in the process and **facilitate** consumer, ELARC service coordinator and service provider **participation** with the consent of the consumer.
  - 4.4 Consumer, service provider, DOR and ELARC will **communicate closely** regarding the aspects of the process that are working or not working in order to **identify and resolve impeding issues, situations and/or circumstances** while maintaining the primary focus on the desired outcome of competitive integrated paid employment for the consumer.
5. Work together on **transition plan** from current service delivery practices to meet expectation of the current law.
6. Access and participate in [ongoing training and development](#) as identified in order to implement necessary changes consistent with current law.
