

Work Services Section

Building Partnership, Supporting Choices

“Work and Work Related Services Orientation”
For Regional Center Day Programs

Presenter:

**Jimmy Williams,
DDS Work Services Section**

Topics to be covered included:

1. What is work?
2. What is required for your consumers to work?
3. What type of work is available for your consumers?
4. What are some of the barriers to your consumer working, and how can they be overcome?
5. What are some of work and work related services available to my consumers?
6. What should I know if I am a provider who would like to provide work or work related services to my consumers or other consumers not in my program?
7. If I am a service provider, what federal and state agencies do I need to interface with?
8. As a service provider, how do I avoid improper practices that may result in financial penalties by federal and state agencies responsible for labor and work related compliance?
