ELARC Services and Supports

Regional Centers provide a variety of services for individuals with developmental disabilities. The following services and supports may be provided, however, this is not a complete list. Services are provided based on the needs of the individual. In making decisions about services needed, the planning team, which includes the individual using the service, family members, regional center staff, and others who may be asked to attend the planning meeting by the individual, will join together to discuss the supports needed that are related to the developmental disability. Your ELARC Service Coordinator and all ELARC staff are here to help you. Please discuss how you may access these services or other services with your service coordinator.
