### **FAIR HEARING**

Californians with developmental disabilities, particularly people of color, find the process to appeal decisions by their regional centers very difficult. The “Fair Hearing” system is very confusing, complex, and biased. Fair Hearing is the process for resolving disagreements between the regional center and the consumer of the regional center. You have a right to appeal. We provide an overview on the process of a fair hearing and what your rights are.

This training will be held in English with Spanish interpretation. If you wish to participate in a language other than English, or Spanish please make your request with Jose Pastrana at [jpastrana@elarc.org](mailto:jpastrana@elarc.org) or (626) 248-4964, two weeks prior to the training to allow sufficient time for ELARC to make every attempt to meet your request.
