As a result of the State of Emergency, the Department of Developmental Services (Department) is authorizing, pursuant to Title 17 California Code of Regulations (CCR) section [54326\(a\)\(11\)](#), regional centers to pay vendors for absences that are the direct result of the State of Emergency. CCR, Title 17 section 54326(a)(11) states:

*“[All vendors shall...] Not bill for consumer absences for nonresidential services. The Department shall authorize payment for absences which are the direct result of situations and/or occurrences for which a State of Emergency has been declared by the Governor. If payment for absences due to a State of Emergency is authorized by the Department, the vendor shall bill only for absences in excess of the average number of absences experienced by the vendor during the 12-month period prior to the month in which the disaster occurred.”*

Individuals who receive services, family members or service providers with questions should contact their regional center. Questions from regional centers should be directed to [ratesquestions@dds.ca.gov](mailto:ratesquestions@dds.ca.gov).
