

Consumer Advocates Congress

Hello! My name is Patrick Schattilly

I am your Consumer Advocate

Dream

/drēm/ noun

a cherished aspiration,
ambition, or ideal

My job is to assist you in living your best life, my role in the Consumer Advocates Congress, (CAC) is to bring to you the topics you want to learn more about to you in a way that helps inform and educate you. The CAC is for consumers led by consumers. The goals of the CAC are to empower Regional Center consumers to learn about their rights through the Lanterman Act, to learn how to find their voice through self-advocacy and to develop community leaders. The CAC is a place you can ask questions and find answers in an understanding community where together we embrace challenges, celebrate successes, and motivate each other to make an impact on those around us and in our community. I hope you will consider attending one of our meetings.

Respectfully,

Patrick
